### **Circuit Treasurer needed**

For a few months now we have been looking for our next Circuit Treasurer. This role is now very different from what it has been in the past.

If you have any experience, or interest, in managing money, including good management of personal finances or in your employment, please consider whether you could help the circuit as a Circuit Treasurer.

What do you need to know?

- we are paying for time for our Administrator to do most of the basic book-keeping role, including paying invoices and bills, keeping records, paying and dealing with staff expenses, and other tasks which took lots of time in the past.
- we use reliable computerised systems
- the finances of employment are dealt with through a national scheme
- there is some informal training for anybody who wants it and there is always professional advice available
- our current treasurer, Mike Hobbs, has agreed to be available for support so that the new treasurer is not left on their own with the role.
- the role will include being part of the Circuit Leadership Team and you'll have a role in the decision-making of the circuit
- many treasurers enjoy their work for the Church

Who are we looking for?

- somebody who loves God and cares about the Church
- a person who is willing to take care with money and to help Circuit Meeting members understand the finances of the Circuit
- a volunteer who can give some regular time to the circuit
- a Christian who will work with the Superintendent minister and the rest of the Circuit Leadership Team

Why might you do this?

- God might have been prompting you to read this far!
- you will be offering your skills and time to the circuit
- it could be good for your CV, and for your personal or job development
- the work will feel worth your time and commitment

If you could consider this role please do be in touch before the end of January 2024.
